## **SUN SEAL ULTIMATE VEHICLE SURFACE PROTECTANT**

One of the highest quality surface protectants in our industry. Provides a shine that appears hand-waxed. Great add-on to any top-dollar wash. High quality, low cost.

Happy Customer = REPEAT Customer

## **SUN SEAL SUPER FOAM**

One of Sun Seal's most important products – THE foaming lubricant for tunnel and self-serve brushes. This is a highly-concentrated product that is cost-effective.

Available in a variety of scents and colors, customizable for your wash.

## **SUN SEAL HIGH PH PRESOAK**

Sun Seal's High pH PreSoak is a highly-concentrated alkaline detergent and the most important part of the wash process. High pH PreSoak has a great foam application and undeniable cleaning power.

Available in a variety of scents and colors, customizable for your wash.

## SUN SEAL LO PH CONDITIONER

Sun Seal's low pH Conditioner clears off any road film left behind and cleans glass, creating a crystal-clear window for spectacular visibility, as well as a cleaner, drier vehicle.

Available in a variety of scents and colors, customizable for your wash.

## SUN SEAL 2 STEP PRESOAK

Sun Seal's low pH PreSoak aids in the removal of tough road dirt from all surfaces, including cleaning windshield masks AND brightening chrome.

Scent: Fresh and Clean

## SUN SEAL SUPER SEALER

There are many steps to a clean vehicle. Sun Seal Ultimate Car Care Protection™ is aware that a clean car goes hand-in-hand with a dry car. Sun Seal's SUPER SEALER seals in the clean, while giving the ultimate shine and a more thorough dry.

Available in a variety of scents

## SUN SEAL WHEEL CLEANER

Owning car washes for many years has provided Sun Seal the understanding that a dirty wheel creates an unhappy customer, and the realization that clean wheels are a necessity. Our newly created Wheel Cleaner formula eliminates the problem of dirty wheels.

## WHEELS & TIRES

## SUN SEAL WHEEL BRIGHT

Sun Seal's Wheel Brightener is one of a tunnel operator's best friends. Not only have you taken all the grime and brake dust off the wheels, you can now have an unforgettable shine. Our Wheel Brightener will show your customer that you offer that 'extra something' to ensure brighter wheels!

## SUN SEAL TIRE SHINE

Sun Seal's high gloss silicone tire dressing gives the consumer a long lasting, show quality shine.

**W**e have created our product line to offer the most efficient and remarkable car care chemical products available. Our mission includes supporting sites and equipment sales/service organizations to operate more efficiently, thus increasing sales. We offer a professional car care system that includes products for all types of friction and frictionless washes.
